BID #: YR130001, 2 Year Term (July 1, 2010 through June 30, 2012), SUPPORT SERVICES

To Whom It May Concern:

This letter is to confirm with you the acceptance of your price quote/bid proposal for specific service items (as identified above) within your company's price quotation(s)/proposal in accordance with the school's Bid/Contract procedure referenced above. This dually signed letter along with your signed bid contract response constitutes the contract of record for these items/services.

This purchase/service agreement is/may be contingent upon E-rate funding. Upon receiving such approval from the SLD the school will/may initiate service requests pursuant to the contract terms of the Bid and E-rate regulations. Awarding of funding from SLD does not guarantee the school will move forward with the acquisition of services and/or equipment bid items, whether in-whole or part. Please note that there may be numerous service requests leveraged against the pricing submitted within the accepted bid response to address various site/office requirements. Services will have E-rate ramifications and cannot be received before July 1st, of 2010 (beginning service contract date). Additionally, any and all issued invoices for services with E-rate ramifications will only reflect the school's "Fair-share" portion of said purchase when applicable. The Vendor is responsible for invoicing the E-rate program directly for the funded portion of the identified services (as specified within the Bid). Thus the school should receive discounted invoices reflecting its fair-share amount of the monthly invoices and/or one-time non-recurring costs. Your support in abiding by these SLD (E-Rate) and school imposed restrictions and procedures are required and greatly appreciated. Please note that the school has reserved the right to increase/decrease the quantities and/or levels of service items as specified within the Bid contract.
